JTracz Designs to participate in the Power Company Vendor Fair

Marketing Services will be raffled off at the Windsor Locks Middle School

Suffield, CT — November 16, 2009 — JTracz Designs, the service focused marketing consultation firm announced this week that it will be participating in the Power Company Choir Vendor Fair on December 5th, 2009 to benefit the Windsor Locks Middle School. The fair will take place from 9 a.m. – 2 p.m.

The Power Company Choir Vendor Fair is taking place to raise money for the Windsor Locks Middle School competitive chorus and dance troop. A \$100 gift certificate, to be used with JTracz Designs, will be given away to an attendee that visits the show. The winner of the \$100 gift certificate will be announced later in the day and contacted by e-mail.

“When I was told the Power Company was holding a vendor fair right in my area, that is meant to fundraise for local area children, I knew I had to participate. To have the opportunity to meet local area residents and get the JTracz Designs name out there is a perfect match,” said owner, Jenn Tracz.

Founded in 2004, JTracz Designs LLC is a marketing consultation firm providing the services and skills needed to help small businesses succeed. With affordable prices and a specialized focus on the needs of a small business, JTracz Designs is the perfect fit for any new or existing business with a need for marketing services.
